

FDA Class II
Medical Device¹

Sta-Kleen® is available
on Oasis¹, Infinity¹, Essential¹,
and Heritage¹ Collections.

Lexis Sta-Kleen® Performance Fabric is a revolution in faux leather upholstery: the first stain resistant urethane fabric. Sta-Kleen offers permanent protection, created with a proprietary bonding process inherent in the manufacturing of the product. It is not a topical application; it will last the lifetime of the upholstery.

FEATURES AND BENEFITS...

- The look and feel of real leather, but with care-free durability
- Exceptional strength, abrasion resistance, and UV stability
- Anti-bacterial "stain shield" allows spills to wipe off with a cloth
